Welcome to the Calgary Police Service's online application system for vulnerable sector police information checks for eligible volunteers under the [Volunteer Alberta, Volunteer Screening Program](#). This system allows you to apply for a police information check 24 hours a day without having to attend our facility. All aspects of the process - including verification of your identification and completed police information check results certificate - are handled electronically. If there are no concerns or follow-up required, you will receive an email with instructions on how to securely download your police information check certificate. You should then forward your results certificate to the organization with which you are volunteering. You will not be charged for this police information check as it is funded by Volunteer Alberta.

The estimated turnaround time for online applications is 10 business days.

You cannot apply on behalf of another person. Report Selection

Report Selection / Requirement (ensure your selection is correct, there are no refunds)

Why we may require your fingerprints:

As part of the vulnerable sector application process, one of the searches we conduct involves a query of the RCMP's national criminal record database. Your information is entered into the system and a search is done with an almost instantaneous response. If your name, birthdate and gender OR your birthdate and gender are the same as someone who has received a records suspension (Pardon) for sexual offences, the RCMP will not permit the police check to proceed without confirming whether or not you are the same person. This is done by taking your fingerprints and electronically transmitting them to the RCMP for comparison to the pardoned record(s). The results are returned to us, and in most cases we can then complete your police check within the timeframe you were advised. These prints are then destroyed.

At one time vulnerable sector searches were based on a name comparison only, however this was removed when it was discovered that individuals could defeat the process by obtaining a legal name change.

The primary reason for this is to ensure the protection of those people in our communities who are the most vulnerable.

For additional information, please visit the RCMP FAQ at <http://www.rcmp-grc.gc.ca/en/faqs-about-vulnerable-sector-checks>.

Special Information - Police Information Check w/VS

As you have chosen a Police Information Check w/VS, please be aware that the police may not provide this type of check if you are unable to adequately satisfy the required criteria:

- The position must be one of **trust and authority** towards vulnerable persons;
- You will be interacting with vulnerable clients **in a largely unsupervised capacity**;
- Contact with vulnerable persons will be **sustained and regular**.

If the position does not qualify for a Police Information Check w/VS, the would be more appropriate. The Calgary Police Service will make the final determination, and reserves the right to substitute a in place of a Police Information Check w/VS. If this is the case, you will be notified by e-mail prior to completion of the check. There are no refunds, full or partial, if an inappropriate report is selected.

If in doubt, we recommend that you speak to your employer before making the choice. Employers may contact the Calgary Police Service at (403) 266-1234 or by email at calgary@policessolutions.ca during business hours for clarification or further information.

Reason for the Police Information Check (VA)

(* denotes mandatory, no acronyms)

NOTE: Due to the nature of the Criminal Records Act and the RCMP rules governing this, only one (1) Volunteer and only one (1) Organization can be listed on your Police Information Check w/VS check. If you require a Police Information Check w/VS check for more than one (1) Volunteer or Organization, you must submit separate applications for which you may be required to pay if not under the Volunteer Alberta program.

* Volunteer:

Coach

 Description of the position, such as board of directors, file clerk, ticket sales etc.

* Organization:

Bow Valley Hockey Society

 Volunteer agency to which you are submitting this check to.

* Vulnerable Clientele Duties:

Minor Hockey Coach for Ages 3-17

 Responsibility details should include how you will be interacting with the clientele AND include their age range.

Vulnerable Sector (VS) Consent

(* denotes mandatory)

Completed when required by the Requesting Agency because you will be responsible for the well-being of children, the elderly, people with disabilities or other vulnerable populations. It is the Police Service that verifies that the position meets the requirements for a Vulnerable Sector Check (<https://www.rcmp-grc.gc.ca/en/types-criminal-background-checks>). A Vulnerable Sector Check is required when you will be in a position of trust or authority of vulnerable persons including children, the elderly and people with disabilities. A Vulnerable Sector Check involves a search of the automated criminal records (pardoned sex offender) retrieval system maintained by the Royal Canadian Mounted Police (RCMP) to identify the existence of sex offences for which a record suspension or pardon exists. A Vulnerable Sector Check also includes a search of local police records to determine if any patterns of behavior exist that may result in harm to a vulnerable person.

I consent to a search being made in the automated criminal records retrieval system maintained by the RCMP to find out if I have been convicted of, and have been granted or issued a pardon for, any of the sexual offences that are listed in the schedule to the Criminal Records Act. I understand that if, as a result of giving this consent, a search discloses that there is a record of my conviction for one of the sexual offences listed in the schedule to the Criminal Records Act in respect of which a pardon was granted or issued, that record shall be provided by the Commissioner of the RCMP to the Solicitor General of Canada, who may then disclose all or part of the information contained in that record to a police force or other authorized body. That police force or authorized body will then disclose that information to me. I understand that the Police Service will not disclose this information to the Requesting Agency without further consent from me.
